RED TRAIL - .327 miles An easy trail on the south side of the preserve. Along this trail you will pass 6 Blue Posts stops and the outdoor classroom. You will also pass the trail to the primitive campground.

GREEN TRAIL - .438 miles. A bit harder trail that can get muddy in places Along this trail you will pass 7 Blue Posts stops.

YELLOW TRAIL – A short loop that leaves the Green Trail descends into the flood plain up a ridge to rejoin the Green Trail

ORANGE TRAIL – This trail branches off the Yellow Trail descends back into the flood plain, rejoins the Green Trail for a short distance, crosses a creek (sorry, no bridge here yet) then up to a ridge then over the Little Brandywine (n bridge here yet either) to join the Pasture Trail.

PASTURE TRAIL – A .274 mile trail that winds through the former pasture, an easy walk.
