

2013 Indianapolis Marathon

Saturday 19 Oct 2013 Ft. Harrison, IN

- 7:30 am – Net Control Operational; @ QTH of N9FEB
 - **147.120 repeater**
- 8:00 am – All Ham Radio Volunteers to be on location
 - - APRS Mini Tail End stages on Lawton Loop west Dr. just south of Otis Ave.
 - - APRS Full Tail End stages on Shaftner Dr. just west of 59th and Post Rd. (get their before 8:30 am)
- 8:30 am – Official START of Race
 - - **Unless it is an emergency, all runners are to “drop out” at Aid Stations for pick up; advise them not to continue on the course as they will not be able to be located**
- 9:00 am – Start of the 5K Run
- 11:53 am – Split time for Full / Half Marathon
 - Anyone wanting to enter the Park after 11:53 am will NOT be allowed to do so
 - APRS ham will follow last runner to “officially” enter the park
- 3:10 pm – Official FINISH of Race

Upon getting to your positions, check in with the Net Control on 147.120 (+) repeater. Also check in with the Water Station Manager. You are there as the communications person; not to fill water glasses, police the area, or do first aid. Take all commands from the Net Control. The 146.700 is the back-up repeater.

APRS SAGS

APRS Mini: Stages near the Start Line on Lawton Loop West Dr. Follows LAST runner around the 13.1m course ending duty at 59th / Post Rd.

APRS Full: Stages just west of the 59th / Post Rd. intersection. Follows LAST runner that enters the State Park at about 11:53am. Continues around the 26.2m course ending duty at the Finish Line.

5K: Stages near the Start Line on Lawton Loop West Dr. in grassy area (not on roadway). Follows LAST runner around course ending duty at 59th / Post Rd.

OUR JOBS ARE TO RELAY ANY TRAFFIC, EMERGENCY OR OTHERWISE, TO THE RACE DIRECTOR AND EMERGENCY TECHNICIANS (POLICE & EMT's)

MAKE YOURSELVES KNOWN TO THOSE AROUND YOU AS TO WHY YOU ARE THERE
